

Index to the Buildings and Campus Features Files, Drew University Archives

Also available in [PDF](#)

For each entry listed in this index, the [Drew University Archives](#) holds at least one folder of material - containing, for example, press releases, photographs, newspaper or magazine articles - relating to the building or campus feature. Other information or collections that pertain to each particular entry or to building and campus features in general may also be available, please contact the University Archives for further information.

[Note: This file contains building plans packets, including "Buildings and Use" (June 1961), "Building Plans and Statistics" (1961), "Building Bible Plans" (1984), "Campus Utility Survey" (n.d.), and "Building Abbreviation and Number System" Memo (1985). They are placed before A in the file cabinets.]

Further Research Resources

GCAH Mission Albums (Education boxes 1, 1.2. and 2) also have images of the Drew faculty homes (now department sites).
