

ThePetTag by Pet Assure

Because home is where your pet is.

1 in 3 pets goes missing in their lifetime, and 90% of those without proper ID never return home.

All **Pet Assure** members can increase the chances their pet is returned home safely with Pet Assure's lost pet recovery service, **ThePetTag**.

HOW DOES IT WORK?

REQUEST TAG

1. Request a Tag

Register your pets for ThePetTag service and order your free pet tags in your Pet Benefit Solutions account. If you have any questions, you can call customer service at (800) 891-2565.

2. Attach a Tag

Always keep your pet's tag attached to his/her collar to give your pet a better chance of returning home safely.

3. Your Pet is Found

If your pet goes missing, whomever finds him/her will scan the tag with their smartphone to access your emergency contact information to help get your pet home safe and sound.

As pet owners ourselves, we at Pet Benefit Solutions care about pets and their owners! We are proud of ThePetTag and Pet Assure's role in keeping pets protected.
