

CLA Exam Schedule | Spring Semesters

This exam grid is standard for all spring semesters. Exams will be held Thursday to Wednesday of finals week, excluding the weekend; semester-specific dates can be found in the Academic Calendar.

Classes that will be giving an exam generally follow the time block schedule listed below. Time blocks coordinate with the section of the class, for example: PSYC 101 E is in the E block so the exam would be the Wednesday of finals week from 8:30-11:30.

Please note: exams are not generally scheduled for labs, studio classes, recitations, and/or performance classes, please speak with the instructor if there are questions regarding whether the class will have an exam. Please pay attention to the J and K blocks as they are offered on two days depending on the amount of meeting time per week. Any issues with the schedule, including combined exam times, are to be worked out between the student and the instructor PRIOR to the exam period.
