PRESENTS A TALK AND Q&A WITH

## Mark Olshaker

Mark Olshaker is an Emmy Award-winning documentary filmmaker and author of twelve nonfiction books and five novels, including *Einstein's Brain* and *The Edge*. His books with former FBI Special Agent John Douglas, beginning with *Mindhunter*, have sold millions of copies and been translated into many languages. *Mindhunter* is now a series on Netflix, directed by David Fincher. Olshaker's research with the Centers for Disease Control led to his nonfiction book *Virus Hunter* with Dr. C.J. Peters, CDC's Chief of Special Pathogens. His book with epidemiologist Dr. Michael Osterholm, *Deadliest Enemy: Our War Against Killer Germs*, was named the Number 1 Global Health Book of the Year by the Johns Hopkins School of Public Health in 2017. Olshaker is past president of the Norman Mailer Society and a life member of the Writers Guild of America. He lives in Washington, D.C.
