

**2026-2027 INDEPENDENT STUDENT VERIFICATION WORKSHEET**

Your 2026-2027 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The Financial Aid Office must confirm the information you (and your spouse) reported on your FAFSA. A financial aid administrator will compare your FAFSA with the information on this worksheet and other required documents, if there are differences, your FAFSA information will be corrected.

**STUDENT INFORMATION**

Student's Last Name	First Name	M.I.	Student's Drew ID Number
---------------------	------------	------	--------------------------

**FAMILY INFORMATION**

List the following people in the chart below:

- The student
- The student's spouse (if applicable)
- The student's dependent children, if the following are true:
  - They live with the student (or live apart because of college enrollment),
  - They receive more than half of their support from the student, and
  - They will continue to receive more than half their support from the student during the award year.
- Other persons if the following are true:
  - They live with the student,
  - They receive more than half of their support from the student, and
  - They will continue to receive more than half their support from the student during the award year.

Note: The criteria for "dependent children" or "other persons" align with the requirement that family size align with whom the student could claim as a dependent on a U.S. tax return if the student were to file a U.S tax return at the time of completing the 2026-2027 FAFSA. As a result, the student should not include any unborn children in the family size.

**PLEASE COMPLETE THE CHART COMPLETELY FOR EACH PERSON IN YOUR HOUSEHOLD!**

If more space is needed, attach a separate page with the student's name and student ID number at the top.
