Attention: Dean Edwin D. Aponte, Professor of Religion

Dear Dean Aponte,

We lost our full-time priest over a year ago and we've been relying on occasional supply clergy and mostly lay-led morning prayer, so we are wondering if any of your seminarians would be interested in preaching at a morning prayer service. It would be a good opportunity for them to practice and we could offer them a small stipend (\$100) plus mileage. They need not be Episcopalian.

Please let me know if there's any interest in joining us among your seminarians for our single 10:00 AM Sunday service.

Yours sincerely,
ST. DAVID'S EPISCOPAL CHURCH

PS If you happen to know of any ordained Episcopalian or Lutheran clergy who have not yet taken a call who would be interested in Sunday supply please let them know that we would be interested.
