- *ISSS will email the I-20 with OPT requested to your Drew email. Print, SIGN page one and scan/upload I-20 with OPT requested to your computer.*
- **DO NOT start the I-765 application process UNLESS you have received a new OPT I-20 from the International Center. You cannot apply for OPT until you have received your new OPT I-20 from ISSS.**
- Students MUST submit OPT application to USCIS up to 30 days AFTER ISSS requests OPT I-20.
